

HOUSE EXTENSION CONCEPT TO CONSTRUCTION

Southward Ave, Port Melbourne

Two story extension and internal replanning of the original semi-detached house is at the entrance to the heritage listed Dunstan estate. At ground floor the extension provides kitchen/dining/family room with access to 2 external decks. The first floor has a re-planned master bedroom suite with two new bedrooms and study together with a new bathroom.

Design features include:

- Triangular corner site partly fronting on to busy dual lane highway and located behind an existing brick boundary wall.
- Use of high quality cement sheet panelling to complement the existing building.
- Careful planning maximises the opportunities from this restricted site.
