

NEW FOYER AND HOSPITALITY WITH FACILITIES MISSIONAL MASTERPLAN TO CONSTRUCTION St Peter's Leongatha

With its key location in Leongatha town centre, St Peter's Anglican Church had an opportunity to connect with the passing townsfolk. This new glazed foyer will connect the social life of the church and provide hospitality from its new kitchen. A multi-purpose room can act as a creche during services. This project will enable the church to position itself as an active leader in the community.

Design features include:

- New paved forecourt below existing trees.
- Large multi-purpse foyer for catered events.
- Seperate room for small children and parents
- New catering kitchen
- New toilet facilities
