

EXTENDED CHURCH AND YOUTH CENTRE CONCEPT TO COMPLETION

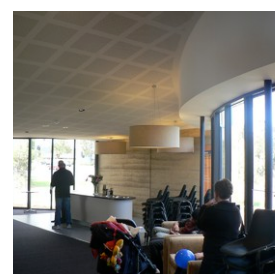

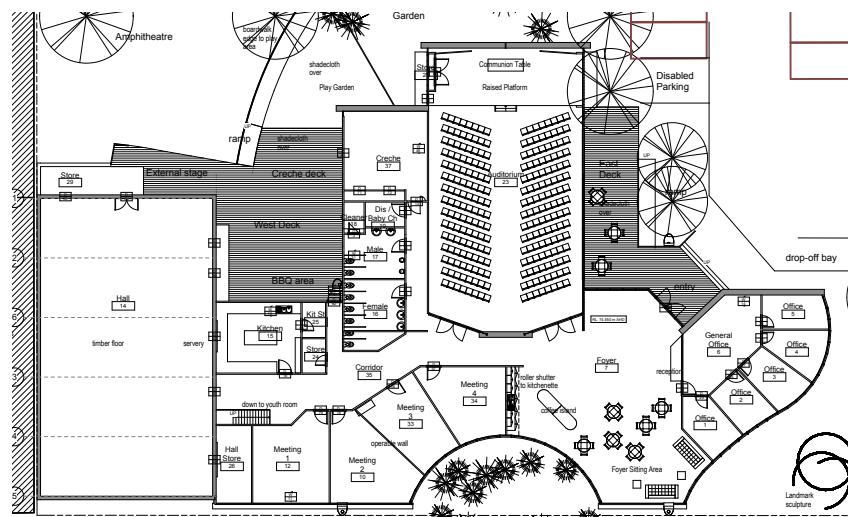

RAFT Anglican Church, Rowville

Description of complex:

- Significant enlargement of original lightweight construction building to meet the needs of the combined churches of Rowville and Ferntree Gully Anglican Churches.
- 250 seat worship auditorium created by extension of original building.
- New basement youth centre below new hall for sports and meetings.
- New kitchen serves into hall and outdoor deck.
- New entrance foyer with coffee station and church offices
- New creche, meeting rooms and toilets

Design features include:

- New entry foyer accessed directly from foyer with hospitality and reception point.
- Transparent connection of foyer to busy public view without noise impact.
- Wave-form roof unifies the spaces of different heights
- North facing, shaded outdoor deck spaces sheltered from busy road.
- Amphitheatre area for outdoor meetings
